APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application, and do hereby grant the same, subject to the following limitations and conditions:

This permit is issued subject to all prior rights on the source. A substantial headgate and weir must be installed at or near the point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water herein granted at any and all times. It is distinctly understood that the applicant agrees to the terms herein contained.

The amount of water to be appropriated shall be limited to the amount which can be applied to beneficial use, and not to exceed 0.6 cubic feet per second.

Actual construction work shall begin on or before April 10, 1921.

Proof of commencement of work shall be filed before May 10, 1921.

Work must be prosecuted with reasonable diligence and be completed on or before October 10, 1922.

Proof of completion of work shall be filed before November 10, 1922.

Application of water to beneficial use shall be made on or before October 10, 1924. Proof of the application of water to beneficial use must be filed with State Engineer on or before November 10, 1924.

Proof of labor filed August 29, 1926

WITNESS MY HAND AND SEAL this 10th day

of December, 1920.

Cancelled JAN 1 1938 because of failure of
applicant to comply with provisions of permit.

Alfred Merritt Smith
State Engineer
ccb.

J. L. Scoville
State Engineer.
